Translation -

My name is Hugo and I am thirteen years old. Today, with my parents and sister, we are going on a trip. My sister's name is Laura, she is sixteen years old. We are at the airport, going to Barcelona, Spain! I have already been in an aeroplane before when we went to Rome, Italy, two years ago. My parents have reserved an apartment near the beach in Barcelona. My parents wish to rent bicycles to visit places in Barcelona. They want to admire the famous Sagrada Familia, walk around in Park Güell, and taste the local food. Me, I want to go to the zoo and the aquarium... and eat ice cream. My sister prefers to go to the beach to read and sunbathe. We will be staying in Barcelona for two weeks. I hope there will be a lot of sunlight. I don't like the rain, especially during the holidays.
